Dear Jafar:

I am pleased to share that you have been conditionally accepted into the Four-Year Doctor of Medicine (MD) program for entry in the August 2025 term. Formal admission into our program will be extended upon receipt of an MCAT score of 490 or better.

If you do not meet the MCAT 490 requirement, our committee on admissions, The Faculty Student Selection Committee, may offer you an alternative pathway to the MD program. Further information regarding these pathway requirements will be provided to you should it become necessary.

Classes begin on August 18, 2025. A mandatory orientation will be held before the start of classes. Additional details including dates and content will be sent to your SGU email as we approach the start of term.

To confirm this offer of conditional acceptance and to reserve a seat in the August 2025 class, a tuition deposit of \$500.00 USD is due on June 3, 2025. Following this letter, you will receive instructions for accessing the [Student Self Service Portal](#), where you can pay your deposit. Please note that your acceptance to St. George's University is contingent upon satisfactory completion of any outstanding academic work.

In the days and weeks ahead, your admissions officer will reach out to assist you with any outstanding enrollment steps. Please do not hesitate to contact us at any time should you have any questions or concerns.
