

Building your Professional Brand

Description

This session will help you start thinking about how to present yourself as a professional. In this session, you will learn about personal branding for professionals, what makes an effective CV & PS, and consider how your CV and PS represent your professional brand. We will discuss SGU Wisdom and other resources available to students to build their professional brand. At the end of the session, you should be able to create a convincing action plan for gaining the skills and experiences you need to build your professional brand.

Learning Outcomes

- Explain the importance of professional branding
- Describe SGU resources available to students to build their professional brand
- Draft a plan for building skills and experience marketable for your career
- Describe the importance of creating a professional CV & PS for residency

Building your Professional Brand – Part 1

<https://sgu1.hosted.panopto.com/Panopto/Pages/Viewer.aspx?id=dda5141e-d629-466c-8f57-acbb00936112>

Activity:

Begin the process of developing your brand by Identifying your Core Values

1. Watch this short video on [How to Identify your Core Values](https://www.youtube.com/watch?v=1R7o-fo9EFE&t=15s)

[<https://www.youtube.com/watch?v=1R7o-fo9EFE&t=15s>]

2. Identify your core values here: SGU Wisdom > Values in Action > Identify your values

Building your Professional Brand – Part 2

<https://sgu1.hosted.panopto.com/Panopto/Pages/Viewer.aspx?id=1747e014-4b00-4bca-8878-acbb00b14872>

Activity:

1. Explore the [CV and personal statement resources](https://mycampus.sgu.edu/departments-of-educational-services/The-Professional-Communication-Program).

[<https://mycampus.sgu.edu/departments-of-educational-services/The-Professional-Communication-Program>]

2. Create an action plan for building your brand as you advance in your medical education. Think about the activities you'll need to engage in as well as how you'll provide proof of those activities to others. We've provided a list of suggestions here: SGU Wisdom > Values in Action.

3. As you progress through the basic sciences, update SGU Wisdom and share your accomplishments to further develop your personal brand!
